

Guided by a mission and desire to make a difference where it matters most - at home - the Northwood Charitable Foundation was established in 2006, marking Northwood Realty's 50th Anniversary.

- **Distributes 100% of every dollar raised**

(All expenses of the foundation are underwritten by Northwood Realty)

- **Provides financial support for local non-profit, housing related organizations**

- **Provides financial support for members of the Northwood family in a crisis circumstance**

We have been *able to help 25 individuals in our Northwood Family* who found themselves in a critical situation. Naturally, every situation and consideration was unique, but the average amount of financial support was \$1500.

*Housing related organizations* that we have partnered with include the Beatitude House, Homes for our Troops, Homeless Children's Education Fund, World Vision, Hosanna Industries, Habitat for Humanity and the Pittsburgh Fisher House.

In the eight years since it was founded, Northwood Charitable Foundation *has raised over \$250,000!!!*

A sincere thank you to everyone who has volunteered, donated, and participated in the Foundation's events. Your support is always appreciated.
