Northwood Charitable Foundation Achieves Success in Second 5K Walk/Run Despite Frigid Temperatures

PITTSBURGH, PENNSYLVANIA (November 22, 2014) – Despite frigid temperatures and impending freezing rain, runners and spectators alike came out for Northwood Charitable Foundation's, "Race for Home" 5K Walk/Run on Saturday, November 22. Approximately 50 participants ran/walked in the family friendly event on that Saturday morning with a prompt 9am race start time. Runners followed the paved course located in North Park along North Park Lake. Certified course measurement and chip timing was provided by Miles of Smiles Timing Services.

Northwood Charitable Foundation Board Members, volunteers and friends and family of the runners were on hand to cheer for each runner as they crossed the finish line. Awards were handed on to Overall Male and Overall Female along with 1st, 2nd and 3rd in 7 different age categories. The race had runners at all different skill levels from novice to experienced. The Overall Male winner was a repeat winner from 2013 and the first place winner in the Under 13 Age Category won in his first ever 5K.

Congratulations to all of the participants and winners.
