

Giving Back to the Fisher House

On Friday, July 20th, 2012, the Northwood Charitable Foundation presented the Fisher House with a check of \$5,000 from the proceeds from the Northwood Charitable Foundation's Spring 2012 Night at the Races.

The Charitable Foundation then surprised the Fisher House with a check for another \$5,000 donation. This money was raised from the Northwood Charitable Foundation's 5th Annual Golf Outing, and the Charitable Foundation Board voted to have a portion of future proceeds from each year's Golf Outing to go towards the Fisher House.

In attendance for the check presentation were the Charitable Foundation's Vince Gemma, Linda Pelkofer, Margi McCafferty, and Wendy West. The Fisher House will have the groundbreaking ceremony for the new Pittsburgh site in early December.
